in the wrong direction. The fire was report of the weather at Alpena city, ally liable for all labor claims; then, can be forclosed in time to interfere of course, a director who was looking with use of mill for sawing season of out for himself, would see that these 1884, and that the use of mill for said pete with any market claims were paid. There was a suit season is worth at least \$6,000, and commenced last week against the Turnbull offers to pay that amount

the unsecured creditors, and in the interest of Prentiss and Reid; that During 1883 there were eight new there is some recent understanding

> that it was not made in due course of 14. That said Turnbull and the

other creditors have an equitable lien upon said property.

The prayer of the bill is that all this property that has been unlawfully transformed and conveyed, be declared the property of the corporation that the directors be compelled to ac count for their management of the business, and that a receiver be ap pointed, etc.

Julius Savage Murdered by Barney Russeau Last Night.

Julius Savage, a Frenchman, was boarding with Barney Russeau, on River street. Russeau suspected criminal intercourse between his wife and Savage. Yesterday Russeau and Savage had a fuss at Barney's resi-74 dence, and Savage appeared to have be in operation about two weeks yet. and wife, F. P. McCormick, J. Millen the Register's office last week, by were the five stores of Patrick Culli-Grand special clearing out sale of Brand Wife, and Miss Duncan, Black which George Prentiss, in behalf of gan, two of Johnrowe and the store asked what he should do. He was of \$4,000, sold all the right and title block erected in Alpena was that of advised to make Savage leave his house, and returned with an officer to

> Then Russeau saw him carry water into the house sometime after Declared he would kill the man Was somewhat under the influence of liquor. Was advised to stay with his liquor. Was advised to stay with his liquor. Sold be would Got partly across the river. Then turning, went home, seized a knife rushed up the narrow stairs to a small room where Savage was getting ready to go to bed. A desperate struggle ensued. Savage was stabbed twice, once in the breast over region of the heart, and the other in the abdomen, through which his bowels pro truded. Medical aid was summoner and Drs. Shelton, Newton, Maiden and McTavish were soon there and did all in their power to save the man Savage asked the doctors if he could live and was told it was impossible to say then. Was advised to make his Miss Ella Kellogg ized in March, 1882, with capital wishes known. Savage stated he would like to have his body taken to Verifield, Quebec. Had worked at Comstock's camp and at Devil river, this winter; had taken up all his money had about \$20 left. Last summer he MILLINERY DEPARTMENT worked on the streets; is a young

> > Russeau was arrested and placed in the lock-up. About two o'clock this morning was asked if he knew what he had done. Said yes. Mentioned where he had stabbed Savage, and would have cut Savage's head off, his wife had not interfered.

Early this morning the Marshal, who had been up most of the night, and had not been home long, was tele phoned for, as there was some talk of ected and got a rope, but the officers kept guard over the prisoner all night
